

## Top Up Dispenser Stands

Hand hygiene is a crucial aspect of infection control. Our Top Up Sanitiser dispenser stands are available in either static or mobile models. These stands allow you to provide hand and surface hygiene coverage throughout any premise, including temporary structures where hand washing may not be possible.

### Key features

#### Dispenser

- Provides hygiene coverage in all locations
- Designed to work with Initial Top Up Auto Sanitiser Dispenser
- Reduces the risk of bacteria cross-contamination in your premises
- Easy to use and maintain
- Can hold two dispensers (*dispensers need to be purchased separately*)

#### Consumable

- WHO recommended **80%** alcohol hand sanitiser formula
- Protects hands from a wide range of harmful germs

### Benefits

#### Economic Value

Reduces the risk of employee sickness and resulting absence

#### Health and Hygiene

Promoting good hand hygiene reduces the risk of cross contamination

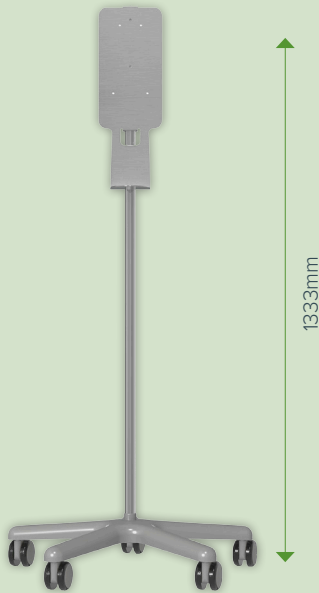

#### Image

Shows you care for your employee and visitor welfare
