

NEW!

myLearning Compliance Courses

myLearning is Rentokil's unique online, e-learning training platform, which is accessible via smartphone, PC and tablet. Our interactive training platform offers 24/7 access to relevant topical information.

Our **NEW** compliance courses from Rentokil provide you with 3 package options to suit your business needs. Each course varies in length from 1-5 hours, but they can all be paused and picked up at a more suitable time, allowing you to work at your own pace.

All five courses are CPD accredited and on average can contribute 2-4 hours each towards your CPD points.

Here's what you're missing out on...
