

# Workplace Protective Screens

**Rentokil**  
The Experts in Pest Control

Rentokil can supply a range of protective screens to help support your customers and employees in remaining safe and protected within the workplace, enabling businesses to get back to full capacity.

Protective cough screens are available which can be used as desk partitions for enclosed office spaces, in reception areas, on retail counters or as larger free-standing mobile screens that can be moved around a factory floor.

## Desk Mounted Defender Sneeze Guards

Our desk/counter dividers are ideal for reception and cashier areas with frequent customer contact, they are easy to clean and help maintain a hygienic environment.

### Defender Sneeze Guard with Frame
